

**IF YOU CATCH A TAGGED FISH IN FLORIDA WATERS, CALL
1-800-367-4461**

Record the capture information

- Tag number, fish length, specific catch location.
- Note any unusual circumstances regarding the catch.
- When releasing a Goliath Grouper, hatchery red drum or an east coast snook, do NOT remove the streamer tag. Repeat captures of the same fish are not uncommon.
- When releasing west coast snook, cut the tag close to the body wall and return the tag to FWC.

Contact FWC with the capture information
